

## **CSIRO Newcastle Site – Map and Directions**

Located 10 km north-west of Newcastle CBD and 30 km from the Newcastle airport. A typical car journey from the CBD will take about 15 minutes or 40 mins from the airport.  
**On arrival at CSIRO Energy Centre visitors should proceed to reception.**

### **From Newcastle Airport (Williamstown)**

Leave Newcastle Airport complex and turn right onto Nelson Bay Rd  
Follow this back across Stockton Bridge where it turns into Cormorant Rd and then into Tourle St  
At the T intersection at the end of Tourle St, turn right into Industrial Drive  
Turn right at the second set of lights  
Take your first right into Murray Dwyer Circuit and then left into CSIRO Energy Centre

### **From Newcastle CBD (Newcastle Station)**

Facing east from Newcastle station turn follow Watt St to your left  
Turn left into Wharf Rd at the roundabout  
Take the first available right (near Crowne Plaza Hotel) into Workshop Way  
This turns into Honeysuckle Drive via a short right then left turn about 100m further  
Follow Honeysuckle Drive to the T intersection at Industrial Drive  
Turn right at the lights  
Follow Industrial Drive for approximately 4-5 km  
Turn right at the second set of lights after the Stockton turnoff  
Take your first right into Murray Dwyer Circuit and then left into CSIRO Energy Centre

### **From Sydney (via the F3 from Hornsby)**

Continue along the F3 (don't take the Newcastle exit) until you reach the end of the freeway.  
You will pass through a couple of roundabouts before meeting the New England Hwy  
Turn right onto the New England Hwy and follow this road through Hexham where it turns into the Pacific Hwy (heading south)  
Continue past Kooragang wetlands (and the speed cameras!), and Sandgate cemetery until you cross a railway track  
Take the next major left into Industrial Drive  
Take your first left at the traffic lights  
Turn right into Murray Dwyer Circuit and then left into CSIRO Energy Centre

### **From Brisbane / North Coast**

Continue past Raymond Terrace until you come to a bridge, lights and a T intersection at Hexham  
Turn left following the Pacific Hwy south  
Continue past Kooragang wetlands (and the speed cameras!), and Sandgate cemetery until you cross a railway track  
Take the next major left into Industrial Drive  
Take your first left at the traffic lights  
Turn right into Murray Dwyer Circuit and then left into CSIRO Energy Centre
